Al is a brother knight from St. Timothy's Council in Laguna Niguel. He is an author of "A New Beginning" His story of being an immigrant from East Germany. He will be speaking on the horrible experience his family went through after the Russian and later the Czech military occupied and forcefully expelled ethnic Germans from their homeland in the Sudetenland during the so called "ethnic cleansing" period after WWII. He will finish with his encounter through Curcillio that has changed his life.

We are an organization like no other – more than 1.8 million members throughout the world. An organization that, since 1882, has embodied the selflessness of man as it has overcome adversity in the world. We are men of faith, guided not only by our belief in God and the Catholic Church, but by our belief that a man is defined by his actions as a follower of God, and as a leader in his community.

We are the Knights of Columbus
