

St. Edward the Confessor Catholic Church
THE PARISH SCHOOL
ALWAYS LEARNING

K IS FOR KINDERGARTEN

"As a former university administrator, it was apparent to me how well the school is run and the happiness of all the faculty/staff was clear. We also specifically liked the integration of music, art, religion and physical education in the Kindergarten curriculum. This well-rounded approach we feel is best to help our daughter to be well-rounded herself and considerate in our diverse world." - **Future 2019/2020 Kindergarten Parent**

WHAT SETS US APART

- **12:1 Teacher-to-Student Ratio**
- **Small Class Size** - 24 Students Per Class with a Full-Time Instructional Aide
- **Dynamic, Hands-On Reading & Writing Programs** - Our professionally-trained Kindergarten team uses Wilson Foundations® - an engaging, multi-sensory reading, spelling, handwriting and phonics program that lays the groundwork for life-long literacy. They also use the acclaimed Writer's Workshop and Scott Foresman Reading Street programs to help put creative thoughts to paper.
- **Specialty Classes** - Weekly Spanish, Music, Library, PE and Art taught by a dedicated, single-subject instructor.
- **Faith Development** - Our Catholic faith is the core of what we do inside & outside the classroom. Students learn about our faith through daily religion class, attend weekly Mass and participate in stewardship activities and Prayer Partner buddies (4th Graders).

SEE US IN ACTION & LEARN MORE!

K IS FOR KINDERGARTEN

Wednesday, 2/27 | 4:30 - 5:30 PM
