

## **St. Edward the Confessor Parish School Presents....**

### **A Respect Life Speaker for Grades 7 & 8 and Parents**

**Pam Stenzel**

**Tuesday, March 17<sup>th</sup>**

**8:30 – 9:45AM – St. Edward Gym**

Drawing from her personal story, as well as her visits with teens around the world, Pam talks about the consequences-both physical and emotional-of premarital relations. It's been her experience that, if given the facts, today's young people are fully capable of making good, healthy decisions. They are capable of choosing abstinence.

For years, Pam was on the "front lines" of the Respect Life Ministry as Director of Alpha Women's Center, a counseling center for women undergoing crisis pregnancies. Her experiences taught her that before teen pregnancy and STD rates could decline, attitudes of teens toward sex first had to change. Desiring to bring about that change, Pam started speaking nationally full-time and is in great demand both in the U.S.A. and in other countries such as Mexico, Australia, Ireland, and Canada.

Following her graduation from Liberty University with a degree in Psychology, Pam moved to Minneapolis, MN where she began to work with New Life Family Services, and young girls who were planning to place their children for adoption.

Pam was approached by a group of concerned parents, to develop a two-hour program for the Rally for Life 1992, a conference on sexual abstinence. She developed the program by mixing media and music, her own talk, and the testimonies of young girls. The response of students, parents and the community was so overwhelming that Pam began to get numerous requests to speak all over the Midwest.

She is also the Founder of Enlighten Communications, Inc., a organization focused and committed to the betterment of children and families in America and around the world. Enlighten offers a broad new model approach for those desiring to embrace strong character in today's youth. Enlighten empowers parents, youth leaders and educators to lead informed discussions on sexual abstinence and the benefits it produces.

Pam now travels both domestically and internationally, speaking to over 500,000 teens a year. Surprisingly many of her requests to speak come from teens themselves. She has been a guest on numerous national TV and Radio programs, including appearances on Fox News Network's "Hannity & Colmes Show," ABC Radio's "Sean Hannity Show," "The Dr. Laura Show," CBN's "The 700 Club," and ABC Television's "Politically Incorrect with Bill Maher."

Pam Stenzel is a dynamic, charismatic, and educated expert on sex, love and relationships. She understands the perils that young people face as they make adult choices, and is dedicated to reviving the character and integrity of today's youth.
